Subject: Lecture Materials & Announcements for [Date – 30/09/2026]

Dear Professor,

I hope you are having a good week.

I am writing to let you know that I was unable to attend our PSPJ lecture on 30 September because I was down with a fever and needed to visit the clinic. I am feeling much better now. I am focusing on catching up with the coursework.

Could you please share the lecture slides or recommend any specific readings covered during that session? Additionally, please let me know if there were any important announcements, upcoming deadlines introduced in class that I should be aware of.

I plan to review the material thoroughly and borrow notes from a classmate. If I have any questions after going through the slides, would it be alright to stop by during your office hours next week to clarify them?

Thank you very much for your time and understanding.

Best regards,

I. Sravya
